8. What station & age group (middle or high school) are you volunteering to help with?

Why did you pick this station?

9. Why did you volunteer for BAW? Check all that apply.

- ☐ To add outreach to my resume, CV or future applications
- ☐ To earn extra credit for a class
- ☐ To see if I can teach &/or if I enjoy teaching
- ☐ To learn more about neuroscience
- ☐ To work more closely with faculty
- ☐ To work more closely with other CSU students
- ☐ Because I think outreach/community service is important
- ☐ Because I enjoy neuroscience
- ☐ As part of an honor's thesis or other thesis (I created a new station)
- ☐ I used to go to the middle or high school and wanted to give back or visit
- ☐ Other. Please explain:

10. Have you volunteered for BAW before?                      How many times?

If you've volunteered for BAW before, please answer the following questions:

A. Why do you continue to volunteer (i.e., what do you get out of it that is important enough to spend time doing BAW outreach)

B. Do you volunteer for the same station each time, or different stations? Why?

11. Have you helped teach science before (e.g., experience as a teaching assistant, K-12 outreach that involved teaching, participation in Heartbreakers or Brainstorm at the museum, tutoring, etc.)

☐ No            ☐ Yes. Please describe this experience:

I am volunteering for BAW only because I will get extra credit in a class	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I hope volunteering will enhance my ability to talk about science with other people	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I like the idea of being a role model for middle and high school students	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I believe people learn more about topic if they teach it to another person instead of just learning it for themselves	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Is there anything else you hope to get out of volunteering for Brain Awareness Week activities?

If yes, please explain:
